### NEWSPAPER ARTICLES

Include *The* in the citation if it is in the newspaper's title.

Use for p. one-page newspaper articles, and pp. for articles that have more pages.

See note, other side, about retrieval date and database name.

### References

### General Information:

- **Electronic resources:** If the URL or DOI needs to be put on more than one line, break it after a double slash or before any other mark of punctuation; do not add a hyphen. Do not add a period.
- **Alphabetize your reference list** by the first word of the citation (usually the author's last name).
- **Double space all of the citations** on your reference page. Indent the second & following lines of the citation 5-7 spaces.
- **Only capitalize the first word of the document title (and proper nouns).** If there is a colon, only capitalize the first word after the colon, and any proper nouns.
